District Convention

June 8-10, 2012

Ventura, California

Please join us in helping others!

The Lighthouse for Women and Children, part of the Ventura County Rescue Mission, is working to break the cycle of violence and provide support to poor and needy women and children. They provide food, shelter, transportation, case management, education, life skills development, vocational training and employment. The Lighthouse is the only 24-hour, 365-days-a-year shelter serving homeless women and women with children in all of Ventura County, California. It has an overall capacity of 113 beds offering specifically tailored programs and services in response to the needs.

The Lutheran Women's Missionary League will be hearing their personal testimony at the upcoming LWML District Convention on June 8-10, 2012. The LWML is collecting and will sort a variety of personal hygiene and cosmetic products to assist these women and children. Your help is needed to provide the following items. All items must be unused, but can be hotel/travel size or regular size.

- Shampoo & conditioner
- Soap
- Bath gel
- Hair spray
- Other hair products: gels, mousse, etc.
- Any type of makeup: eye shadow, blush, eye liner, mascara, etc.
- Feminine hygiene products: tampons, pads

Place your donations in the Lighthouse box at church. The women and children thank you for your help.
