

## Human Care Ingathering September 2011

Ladies of the Pacific Southwest District LWML,

We will have a different type of ingathering this September.

Each of you is encouraged to look to the need of those around you in your local churches and schools, ask your Pastor or a local Principal to let you know of any students in need. These items will **NOT** be brought to the District Meeting but disbursed to your churches and schools.

Here is a list of items which probably are needed:

Back Pack	Notebook paper
Notebook	Pens & Pencils
Pencil Box	Pencil Sharpener
Crayons	Scissors
Ruler	Glue Stick
Calendar (school year Aug 2011-June 2012)	
Calculator (Many stores carry them at a very low cost)	

Suggestion, have each lady select one item from the list to purchase to complete your backpack. If you plan to pack several you may ask the youth of your church to help you pack them.

We will have a little competition for this ingathering. It is simple, each Zone President will report the number of completed backpacks her societies deliver to students and the Zone with the most delivered will win a gift. So let's have fun! Get going with your backpacks. I will be excited to hear how many are delivered.

Zone Presidents, I will ask for your details in my report at the September Board Meeting. Let's have fun with this, it was fun getting it together and out to you.

Barbara Carter  
Vice President Human Care  
Pacific Southwest District LWML
