

# Mighty Mites - October 2011

Sun	Mon	Tue	Wed	Thu	Fri	Sat
<h2>Count your blessings and reward the Mite box!</h2>						
2 Think about the countless blessings God has given you and your family this week. Place a \$ value on one of those blessings and contribute that to the Mite box.	3 Blessings in the Word? Put \$.25 in the Mite box for each religious book and Bible you have in your home. Thank God for His book of instructions.	4 For each pair of shoes you own place \$.05 in your Mite box. Think of all the people who have no shoes. Give what you don't wear to charity.	5 Consider the Land of the Free where we can worship God, and our troops who defend our way of life! Give \$1 in thanks for this freedom.	6 Organize your pantry. For every can of food place a penny in your Mite box. Consider donating some canned goods for those who need food.	7 If your loving husband suggests dinner out, give \$5 in thanks you don't have to prepare a meal! Consider how this money will help to feed others.	8 Consider your family here and in other states. Thank God for connections to family; donate \$.10 to the Mite box for every family member.
9 Clean out your purse; put any loose change from it or your car cup holders in your Mite box. How much lighter your purse and pockets are now!	10 	11	12 If you have loving neighbors and value your friendship reward the Mite box with \$1. Thank God for loving relationships in your community.	13 	14 Thank God and reward the Mite box with \$.05 for each of your friends and their loving regard for you that uplifts you during your lifetime.	15 Do something fun! Reward the Mite box with leftover change and thank God for the ability to enjoy yourself in His kingdom on earth.
16 During worship, note those sitting in front of you. For each with a Bible, reward the Mite box with \$1. Praise God that His Word is being used.	17 If you dine out this week, order water instead of a drink. Place the price of the drink in the Mite box and thank God for the many choices we have.	18 Purple is LWML's color. For each purple item in your home or closet, place a coin in the Mite box. Thank God for LWML's mission projects.	19	20	21 End of the work week. Whew! Relax and thank God that He got you through the week intact. Reward the Mite box for His generosity to you.	22 
23 For every connection you have within your church family, thank God, pray for them and contribute a thank offering to your Mite box.	24 Think about all the important dates in your life's path and how God helped you during those times. Reward your Mite box appropriately.	25 If you've gone grocery shopping and bought one "unnecessary" item not on your list, place the amount you spent on that item in your Mite box.	26 Middle of the week - place \$.05 in your Mite box for every trip to the store you've made so far this week.	27 For every time you've sat at the computer this week, place a coin in the Mite box.	28 End of the week and heading toward Reformation Sunday when Martin Luther nailed 95 theses to the cathedral door. →	29 Place 95 cents in your Mite box as a reminder of Martin's contribution.
