

Heart to Heart District Leader  
2020 Convention Report February 15, 2020

Here is my report to date. A summary of what will be presented in the pre-convention interest session for Heart to Heart Program. Melissa Salomon and I will be hosting an interest session at the Pacific Southwest District Convention in June 2020 in Cathedral City. We will share with the group attending the interest session the Heart to Heart story and provide information on how to reach out to multicultural women in their zones. Should we have some Heart to Heart sisters in the group we will meet in my room for each to share their own story. Cynthia Khan will also speak to the group. Heart to Heart sister Yasmin Bhatti will also share her story. We are also going to have a Heart to Heart Display with information on the Heart to Heart Sister program.

Angelina Jauregui,  
Heart to Heart District Leader
