NOW is the time to put your planned gift down on paper to bless your family and the ministries you love. Have you included a **statement of faith** in your plan?

Invite Linda to speak at a district or zone event, convention, or retreat to explain how Lutheran Women in Mission can share their faith, bless their family, impact ministry, and have peace of mind for the future.

Gifts of Love is an official ministry of LWML, assisting LWML women and their families to make the very best gifts to their loved ones and all ministries of the church. LWML's *Passing On* guide and other planning resources will be provided.

Linda's services are free of charge through LWML. Please contact her to speak at your next event.

Invite Linda Gage from LWML Gifts of Love to speak at your Zone or District event!

SPEAKING TOPICS & SYNOPSIS

- The Story of Woman: A journey from creation to today, for tomorrow
 - An epic tale lies within the pages of the Bible. It's a story of love and sacrifice for both men and women with an amazing ending. But for many women today, we have been hurt and confused by the words that teach about the place of a woman. Together, we will again discover this ancient story that gives comfort to women in Christ.

- The Gospel According to Proverbs: a misunderstood book of promise
 - This study will challenge the common ways most people have studied the book of Proverbs. Misunderstood as simply a book of advice, we will uncover the central purpose of the whole Bible hidden among these popular sayings.

- What's Wrong with Women's Bible Studies?
 - A closer look at popular Bible Studies on the market comparing them to the Word of God. We will discover what is missing from most Women's Bible Studies and why it might be damaging to our faith.

- Good Prayer, Bad Prayer
 - Is there a right way to pray? What if God doesn't answer our prayers? A journey from the Old Testament Psalms, to the New Testament words of Christ, right into our own messy lives, today.
